VITALGROW

GUARANTEED ANALYSIS

Element	%W/W
Manganese(Mn)	1.16
Zinc (Zn)	2.32
Carbon (C)	9.60
Sulfur (S)	1.74
Nitrogen (N)	5.30

Contains 12.0% w/v L-amino acids

VITALGROW is a foliar fertilizer which contains a mixture of amino acids and micronutrients to relieve stress and stimulate the plant into active vegetative growth and development. **VITALGROW** can also help with flowering and setting of bulbs, grains and fruit.

VITALGROW is specifically formulated so that the amino acids and micronutrients are highly plant available. The amino acids also activate the plant's stress resistance pathway allowing it to deal with adverse weather factors.

EXPIRY

Best before 3 years from manufacture date

APPLICATION COMMENTS

Crop	Dose l/ha	Application
Rice-Barley Corn - wheat Sorghum Sunflower	1.0	Apply during the period of vegetative development
Beans - Soy beans Cotton		

* Spray with good soil moisture conditions

CAUTIONS

- Shake the bottle before opening
- Exclusively agricultural use as fertilizer for plants.
- Store in places out of reach of children or animals
- Store in a cool place protected from direct sunlight.

VITALGROW is compatible with most phytosanitary and foliar fertilizers, however, it is recommended to perform chemical compatibility tests before use.

WARNING

The company guarantees the composition, formulation and content of the product. The user is responsible for the use and application of the product, according to the indications for use set out in this label.
